From the Pastor

After Pascha I will be leaving for Australia and will return at the end of the month of May. You will be in my prayers and my thoughts while I am visiting the Great South Land as it was once called.

Although I have learned that Australia is derived from Spanish! But a glance at the Concise Oxford Dictionary and the Shorter Oxford Dictionary the word "Australia" is not even mentioned!

And we all know from school that it is an island continent!

And that is the dictionary that we were taught to spell from! Except Australia! It seems! What a spelling lesson I just experienced looking up the origin of the word!

Archpriest Keith W. Lowe, M.Div.
