### Last Week's Storm

As a result of the storm last Wednesday night the church did sustain some damage and it was reported to Martin Olenic who is attending to the problem.

### New Parish Website

The new parish web site has been launched and can be found at-  
**[www.standrewlyndora.com](http://www.standrewlyndora.com)**

Slowly over time the metrical records will be gradually uplifted onto our web site. However, restrictions may apply in certain instances!

### Coffee Hour

In the past there has not been a coffee hour in the Summer months after Sunday Divine Liturgy. It is important for us to have this fellowship as it is an extension of the liturgy and it helps us to meet and greet new comers to our parish.

Please when we are out and about and see some snack food that can be frozen and is on sale, let's pick it up and store in the back freezers for that occasion when someone doesn't bring something in during the Summer months. It will work with your help and kindness.
