Thank You

A big thanks to all the people who showed up last Wednesday evening and came out to weed and trim the shrubs in the church garden. These faithful people laboured for two (2) hours and eight (8) bags of garden cuttings later it was all done. If you were not there then you missed a great evening of pulling together as part of team Lyndora.

New Parish Website

The new parish web site has been launched and can be found at-

www.standrewlyndora.com

Some metrical records (deaths) have been uplifted to our web site. However, restrictions may apply in certain instances to the case of other metrical record books.

The Growth Committee has a page on the web site to spread the news about its activities. And slowly with that we want to have pages on our other church organisations with similar pages.

Requests have been made to have the parish bulletin uploaded to our web-site. That is easier said than done! Last week's bulletin was uplifted. But it seems that was an aberration! Fr. Keith Lowe is trying to work out what the problem is but it involves the size and the file type that the platform is having difficulty recognizing when it shouldn't! So we press on!

Coffee Hour

In the past there has not been a coffee hour in the Summer months after Sunday Divine Liturgy. **It is important for us to have this fellowship as it is an extension of the liturgy and it helps us to meet and greet new comers to our parish.**

Please when we are out and about and see some snack food that can be frozen and is on sale, let's pick it up and store in the back freezers for that occasion when someone doesn't bring something in during the Summer months. It will work with your help and kindness.
